INDEPENDENT AUDITOR'S REPORT

To The Board of Directors
Colon Cancer Coalition, Inc.
Edina, Minnesota

We have audited the accompanying financial statements of Colon Cancer Coalition, Inc. (a Minnesota Not-For-Profit Organization), which comprise the statements of financial position as of December 31, 2015 and 2014 and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Colon Cancer Coalition, Inc. as of December 31, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization:

The Colon Cancer Coalition, Inc. (the Coalition) was incorporated in Minnesota as a 501(c)(3) non-profit organization in August of 2006. The Coalition's mission is to empower local communities to promote prevention and early detection of colon cancer and to provide support to those affected.

The Coalition oversees run/walk events throughout the United States branded under the Get Your Rear in Gear name. In 2015 and 2014, 44 and 41 races were held, respectively. These races are the Coalition's primary source of revenue.

The Coalition has created a network of events that it helps manage or support. The Coalition offers local race partners committed to creating awareness in their community a proven blueprint for success, saving organizers time, money and energy to invest in the success of their event. As the network of events grows, the Coalition has the opportunity to share ideas, strategies, marketing tools and buying power amongst event leaders, sponsors, volunteers and participants.

The Coalition enters into an agreement with the local race partner in the city where the race is to be held. The agreement identifies the responsibilities of the Coalition and the local race partner. The agreement specifies that a percentage of net race proceeds are awarded back to the local community. The money raised is given back to the local community in the form of grants and awards to help with prevention, early detection and treatment, healthy living projects, and support for those affected by the disease.

The Coalition is a member of the Minnesota Cancer Alliance and works with the organization on educational and research projects impacting colon cancer.

Method of accounting:

The Coalition follows the accrual method of accounting for revenues and expenditures. Contributions are recognized when the donor makes a promise to give to the Coalition that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the year in which the contributions are recognized. All other donor restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

NOTES TO FINANCIAL STATEMENTS

NOTE 1. (CONTINUED)

Basis of presentation:

The Coalition reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets, based upon the existence or absence of donor restrictions. As of December 31, 2015 and 2014, there were no temporarily or permanently restricted net assets.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Cash and cash equivalents:

For purposes of the statement of cash flows, the Coalition considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents. The Coalition maintains its accounts in one financial institution. At various times during the year, the balances may have exceeded federally insured deposit limits.

Receivables:

Account receivables are stated at unpaid balances, less an allowance for doubtful accounts. The Coalition provides for losses on receivables using the allowance method. The allowance is based on experience and other circumstances. Receivables are considered impaired if full payments are not received in accordance with contractual terms. It is the Coalition's policy to charge off uncollectible receivables when management determines that a receivable will not be collected. As of December 31, 2015 and 2014, no allowance was recorded due to the fact that the Coalition deemed the receivables to be 100% collectible.

Grants and awards payable:

Grants and awards payable represent amounts due back to local race partners and designated beneficiaries for races held.

Advertising:

Advertising is charged to expense when incurred. Advertising expenses totaled \$122,020 and \$135,745 for the years ended December 31, 2015 and 2014, respectively.

COLON CANCER COALITION, INC.
(A MINNESOTA NOT-FOR-PROFIT ORGANIZATION)

NOTES TO FINANCIAL STATEMENTS

NOTE 1. (CONTINUED)

Race registrations and sponsorships:

Race registration fees and sponsorships are recognized at the time the race is held.

Deferred revenue includes registration fees and sponsorships received in advance of the race. Prepaid expenses include expenses related to the following year's races.

Non-cash donations of facilities, merchandise and services:

Non-cash donations of facilities, merchandise and services are recorded as contributions at their estimated fair market value at the date of donation.

Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the year received.

In addition, individuals volunteer their time, performing a variety of tasks that assist the Coalition mostly with its races. This volunteer time does not meet the above definition of donated services that need to be recorded. The Coalition had approximately 5,000 hours of donated time towards races for each of the years ended December 31, 2015 and 2014.

Functional allocation of expenses:

The costs of providing the various program, race and other activities of the Coalition have been summarized on a functional basis in the statements of activities and statements of functional expenses. Accordingly, certain costs have been allocated among the program, race and supporting services benefited.

The direct costs of races include security, apparel, race management, contracted labor, equipment rental, credit card and website fees and other direct race expenses.

Income taxes:

Colon Cancer Coalition, Inc. is exempt from federal and Minnesota taxation pursuant to the provisions of Section 501(c) (3) of the Internal Revenue Code and Section 290.05 of the Minnesota Statutes and is only subject to federal and state income taxes on net unrelated business income. Since the Coalition had no unrelated business taxable income in 2015 and 2014, the accompanying financial statements do not include any provision for federal or state income taxes.

The Coalition's filings with the Internal Revenue Service are subject to audit. The information returns for the past three and one-half years are open to examination. Management has evaluated its tax positions and has concluded that they do not result in anything that would require either recording or disclosure in the financial statements based on the criteria set forth in ASC 740.
