**Continuous from 1A**

We can count among the terrific things about Muscatine that make it such a wonderful place are the many beautiful parks and trails. The Muscatine riverfront is probably one of the most popular places on the riverfront for people to go and enjoy. It is a great place for walking, jogging, or just taking a leisurely stroll. There is a beautiful boardwalk that runs along the riverfront, and it provides a great view of the river and the surrounding area.
